

# DIDIDO

***What Did I DO?***

# PERSONAL ASSISTANT IN THE SMARTPHONE

The pain: I often forget what  
did I do for the last day, week,  
month.

# THE SOLUTION

- Remind me to save the information about my works
- Save information
- Store information to the calendar
- View at any device in the calendar app.

# PLAN FOR GWH

- Develop multi-platform MVP app from scratch
- Show the demo at the stage
